BOARD NOTES

by Gordon Herrick, President

The Board of Directors postponed the June Board meeting from June 19 to June 29. Therefore, by the time you read this article, you will know the status of the redecorating of the Lifestyle Center. The June meeting was postponed so that Deeann and the Board would have time to make a responsible decision regarding this matter.

There has been some confusion as to the new watering days we must follow because of the change in Marion County Law. The County Commissioners decided that the whole County will follow the watering days for the St. John's Water Management District. Currently our watering days are as follows:

Odd-Numbered Addresses: Wednesday and Saturday

Even-Numbered Addresses: Thursday and Sunday

You cannot water between the hours of 10 AM and 4 PM. You may add a maximum of $\frac{3}{4}$ inch of water on the days that you are allowed to water.

DEADLINE for AUGUST COMMUNICATOR articles - July 17 at 5 PM
